

MORAY'S ROYAL BURGH

A TRIP TO FORRES

In the north-west of Moray stands the historical town with deep rooted royal associations. Originally home to the Picts and the real Macbeth, Forres is now a beautiful town perfect to holiday for a few days.

DAY 1

Start your trip to Forres with some of the best food and shopping you'll experience in Moray Speyside by driving the short distance to **Brodie Countryfare**. Here you will be greeted by a range of Scottish gifts and luxury country clothing. Just a stones throw away, you'll find the ancestral home of the Brodie Clan - **Brodie Castle**. Take a tour of the stunning castle and grounds and if you time your visit just right you might be able to attend one of the many spectacular events hosted at the castle such as Brodie Illuminated. Finish your day by eating at one of Moray's finest restaurants, **The Old Mill Inn**.

For a more adrenaline filled day head white water rafting down the Randolph's Leap (Pictured left) at **Ace Adventures**.

Remember to explore Forres in its entirety, as the town's rich history and stunning gardens are not to be missed. Forres has been crowned Britain in Bloom champion on five separate occasions due to the incredible work done by Forres in Bloom. Spend your morning walking around **Grant Park**, the sunken gardens and then take the walk up cluny hill to discover **Nelson's Tower** (Pictured below). A historic tour of Forres wouldn't be complete without stopping at Sueno Stone which is the tallest standing pictish stone in Scotland.

After a tiring walk try out **Bonnie Bestie** or **The Mosset Tavern** for great food.

DAY 2

Forres is the home to **Benromach Distillery** and a tour is essential on your trip. Have a taster after the tour or take a drivers pack which means you can visit Forres' little sister town Findhorn. Findhorn is home to the **Findhorn Foundation** where visitors are welcomed to take a walk around the site and pop into **The Phoenix Shop**. Findhorn is great for foodies and seafood lovers with **The Captain's Table**, **Kimberley Inn** and **Crown and Anchor** all offering tasty fresh food. Finish your trip to Findhorn with a walk on the beach or see the beach from another view with a boat trip from **North 58 Sea Adventures**.

For golf enthusiasts out there **Forres Golf Course** (Pictured below) will test the best golfers
