THE RIVIERA OF THE NORTH
LOSSIEMOUTH

Dubbed Moray's Riviera, Lossiemouth boasts not one, but two, stunning beaches and sits on a spectacular bit of coastline.

DAY 1

Start your trip to Lossiemouth with a stroll along one of its two beautiful beaches. The **West Beach** sits idyllically on the Moray Firth Coast and is blessed with views of the iconic **Covesea Lighthouse.** After a peaceful stroll, head back onto to dry land and continue through to Lossiemouth Marina. If you're hungry for lunch, head to the wonderful **Harbour Lights Restaurant** or delve back into the history of Lossiemouth with a visit to the **Lossiemouth Fisheries and Community Museum**. Staffed by volunteers, the museum provides an insight into the life, and danger, of the fishing industry.

One of the new additions to Lossiemouth is **Windswept Brewing** where you can take tours, tastings and enjoy delicious pizza.

Begin your morning with a short history stop at Ramsay MacDonald's House, located on 17 Moray Street. Ramsay MacDonald was a British politician who served as the first Prime Minister of the UK. If you're looking for some adventure, book onto a boat trip organised by **North 58° Sea Adventures.** Leaving from Lossiemouth harbour, you'll be whisked away into the Moray Firth to start exploring the beautiful Moray coastline and its amazing abundance of wildlife.

Once you are back on land make sure to explore the other beautiful Lossiemouth Beach, The **East Beach**.

DAY 2

DAY 3

If you're interested in golf, you are in the right place. Firstly Lossiemouth is home to the beautiful links course **Moray Golf Club**, considered to be one of the finest golf courses in Scotland. The club has two courses, one of which, aptly titled the Old Course was designed by Old Tom Morris and is a must for golfers. If you head down the coast you will also find the **GDC Golf Dedication Centre** and the little hidden gem of **Covesea Links**. Finally on this golf specific day head to **Hopeman Golf Club** where you will find one of Scotland's favourite Par-3 Holes.

Just 10 minutes outside of Lossiemouth you will find **Duffus Castle** if you prefer a more relaxed visit.
